ACADEMIC HONESTY: ALL INFORMATION TAKEN FROM ANOTHER SOURCE MUST BE CITED PARENTHETICALLY AND HAVE A CORRESPONDING SOURCE IN THE WORKS CITED. If it is a quote, it must be cited parenthetically AND have quotation marks around it. If you are paraphrasing, it should be in your OWN WORDS and it should have parenthetical citation. If you are summarizing, it should be in your OWN WORDS AND have parenthetical citation.

Turnitin: A percentage of similarity DOES NOT equate to a percentage "plagiarized." I will be looking at each similarity report to determine if plagiarism took place. If there is plagiarism present, the amount of it does not matter. Remember that plagiarism means including someone else's work in your paper without indicating that it is someone else's work. Should there be plagiarism on the rough draft of your EE, you will receive a zero on the assignment and a referral to Honor Council, and of course, you will have to correct the plagiarism.
