Most of this can be found at Michael, Amazon, or Dick Blinks in Tampa. I actually prefer shopping on Amazon because there are a variety of options and price points.

HL Biology

Juniors: **Sketchbook** (see the attached picture or see below. It doesn't have to be that exact one but a heavy weight paper is preferred. Size 12" X 9" is great but any other size could work too. Heads-up, they are on sale at Walmart right now for \$5.97.)

Set of colored pencils for use in the Sketchbook

Playdoh - minimum 4-pack. We will use it to make models.

Spiral Notebook

Seniors: Should have Sketchbook and colored pencils already that they can continue with, but some past students have wanted a clean Sketchbook for senior year.

Playdoh - minimum 4-pack. We will use it to make models.

Spiral Notebook
