

BUFFY VASSEY

**PRE-IB
ENGLISH 1**

IB ENGLISH 3

I graduated from the University of South Florida with a bachelor's degree in English Education. I have been here at RHS for twenty-two years, teaching English Honors, Reading classes, SAT Prep and IB for the last four. I am a South Tampa stalwart; I love the community where I live and work, and thoroughly enjoy being a member of a very creative and hard working IB English team.

“I enjoy the relationships I build with students. I feel this program offers students a unique opportunity to grow and challenge themselves, academically; but more importantly it gives them the chance to become a part of the RHS IB family. It is very gratifying being a part of this program”
