AP US HISTORY

I am a product of Hillsborough County Public Schools, including King High School's IB Program from which I earned an IB Diploma. I then went on to earn a B.A. in History and Sociology and then an M.A. in History. I've taught courses at the University of South Florida, the University of Tampa, Saint Leo University, and Hillsborough Community College and have been teaching for the IB program in Hillsborough County for seven years

"I appreciate that the IB program brings together students from many different neighborhoods and backgrounds for a common purpose. It is also quite useful for developing the time management and coping skills necessary to survive college."
