ROOM P-14

Graduated with a MA in Mathematics from The Ohio State University. This is my 25th year teaching at Robinson High and was named Robinson High Teacher of the Year in 2006. Coach Smith also has been the head Boys basketball Coach for The Knights for 24 seasons.

“I like that the program challenges the students with an international curriculum. The IB program here at RHS really shapes students for success in college and I have seen the way it makes students grow as both students and people. It is always exciting to see the students come together as Seniors to excel on their IB examinations.”
