

# JENNELL PETERANECZ

**IB ENGLISH 4**

**IB ENGLISH 3**

**I have a Bachelors in English Literature from Virginia Tech and a Masters in Curriculum and Supervision from Hood College. My first 20 years of teaching were in Virginia and Maryland. In 2004, my family moved to West Florida where I began my IB career in one of the oldest programs in the state. I taught both of my children as IB seniors. In 2013, I began my career here at Robinson.**

**“I want my students to be competitive nationally and globally. IB instills a level of rigor that makes that happen: many of my students have moved into universities and careers that are abroad. All return saying that IB prepared them well.”**
