Instructor: [Amanda.perez@hcps.net](mailto:Amanda.perez@hcps.net)

## What is Veterinary Assisting?

- 4 year program
- Work based learning
- **Hands on application**
- **Industry level certifications**
- **Professional and leadership skills**
- **Field Study opportunities**

## 3 Tracks: 1 program

**Track 1:** I have a pet and would like to learn more about how to care for it and about other animals.

**Track 2:** I am interested in working in the animal industry and learning more about types of jobs that work with animals. Examples: Groomer, Trainer, K9 Unit, Zookeeper, etc

**Track 3:** I would like to work in Veterinary Medicine!

---

Students will learn about the many facets of animal science and be inspired to explore animal careers and pathways.

This program will prepare the students to join the world of animal science through labs and hands on training.

Each year allows students to investigate future college and professional career pathways.

Students can earn a Certificate as a Certified Veterinary Assistant (CVA)
